

We are Hiring

HOLOSS Talent Ideas Initiative

In HOLOSS, you will be involved in a variety of activities ranging from exploration to technology research, including technology transfer. You can develop your professional career through projects at the forefront with a high level of commitment and responsibility in each project. We offer you the opportunity to participate in national and international congresses, conferences, and European (EU) and Portuguese (PT) projects with prestigious EU universities, research centres and industries.

MAJOR RESPONSIBILITIES

- Follow a detailed project plan, including timelines, milestones, and resource requirements, to guide the development process.
- Design and develop prototypes or initial versions of your project to test and demonstrate key concepts during the first year.
- Actively seek and incorporate feedback from mentors and HOLOSS colleagues to enhance the holistic perspective and impact of your project.
- Collaborate with cross-functional teams to integrate diverse perspectives and expertise into your project.
- Perform policy analyses to align the project with EU goals.
- Make presentations at national and international workshops and conferences.
- Contribute to the design of project proposals and write new R&D project proposals (e.g., Horizon Europe).

REQUIREMENTS

- We welcome candidates from all academic backgrounds. Your unique perspective and expertise are valued at HOLOSS.
- Flawless knowledge of English (spoken and written).

- Proactive, self-motivated, and result-orientated with a problem-solving mindset and strong team-working capability but is also able to work autonomously and creatively to solve problems independently.
- Strong drive to learn new topics and skills and develop innovative insights.
- Availability and willingness to travel abroad for meetings and events.

DESIRABLE:

- Awareness of the health, environmental, economic, and social aspects.

OUR OFFER

- A position entirely on-site – Monção/Portugal (ineligible for remote or hybrid work).
- A full-time position with the desire to start as soon as possible.
- An attractive salary package, complemented with coaching, further training, and much more, rounds off our offer.
- The opportunity to participate in international conferences and meetings
- A young team where every voice counts and trust, respect, and kindness are part of everything we do.

CONTACT

Please submit your application electronically to holoss@holoss.com. The application must include:

- Cover letter
- Curriculum vitae
- Copy of relevant diplomas with grades
- 10 pages document outlining the project.

The application and supporting documentation must be in Portuguese or English language. Please send all materials in **one (1)**.pdf file through email with the subject **“HTII – [your name]”**. Failure to comply with the requirements and instructions herein provided will disqualify the applicant. Only shortlisted candidates will be contacted for an interview.

HOLOSS is an equal opportunity employer committed to achieving diversity within the workforce and creating an inclusive working environment. Thus, we welcome applications from all qualified candidates, irrespective of gender, sexual orientation, ethnicity, beliefs, age, disability, or other characteristics.
